This certifies that gemstone(s) are 100% natural and hand-selected on the basis of their colour, clarity & brilliance, side diamonds are minimum F~G in colour and VS in clarity. The fine craftsmanship of this design meets industry quality standards and is covered by Nolan and Vada's lifetime manufacturing warranty.

AAA - Top 1% rare heirloom quality gem handpicked for the excellent colour, saturation and hue, is eye-clean (meaning there are little to no visual inclusions to the naked eye), and is ideally cut to bring out the best lustre and brilliance within the gem.

**The total carat weight of diamonds & gemstones mentioned above is approximate with a tolerance of ± 0.05 carats and is subject to change depending upon final completion of the product*
